

## DRY EYE ULTRA

- A clinically tested pill for Dry Eye Syndrome.
- Olexium Dry Eye Ultra is clinically shown to provide the relief, repair and protection for dry eye syndrome in a one-a-day small pill formula.
- Promotes healthy tear production in as little as two weeks.
- Studies showed an increase in tear volume, stability in the tear film, and reduction in tear osmolarity resulting in a decrease in inflammation.
- Olexium Dry Eye Ultra decreases ocular surface damage measured by corneal and conjunctival staining.
- Olexium Dry Eye Ultra (DEU) is a proprietary formula made from Lutein, Zeaxanthin isomers (RR-Zeaxanthin and RS (meso –zeaxanthin), specialized Curcuminoids, and vitamin D3.
