Air Note Patch

- A patented, scented small self-adhesive patch that eliminates bad smells in a variety of settings.
- An innovation in the deodorizing market.

“A small patch with a huge impact.”

AIR NOTE *A PATCH TO ELIMINATE BAD SMELLS*

Icons representing various settings: dog, car, feet, person, and a globe.

Duration of effect: after opening, the scent patch works for at least 12 hours against unpleasant smells.

Instructions for use: attach to the outside of the fabric/surface/carrier close to the source of smell. Do not apply the patch directly to bare skin. Not suitable for allergy sufferers. Keep out of reach of children. Store at room temperature away from sunlight and food. During use, avoid direct exposure to sun or extreme heat to avoid the patch drying out. Not suitable for larger areas or rooms.

Air Note Patch

- The surface is made of non-woven fleece
- The patch is only 20 x 36 mm
- Duration of active effect: at least 12 hours
- The fragrance does not mask the smell. It actually neutralizes the smell.
- As soon as the sachet is opened, the compound is released and bad smells are quickly eliminated.

Benefits of Air Note Patch

- Air Note for your car/minivan - wet dogs, sports equipment, spilled coffee, and any number of other factors that can leave unpleasant aromas in your car. Air Note provides the solution.
- Air Note for you - an alternative to existing deodorants, Air Note can be placed on underwear or clothes, to eliminate unwanted smells.
- Air Note for sport - Use Air Note in your bag, locker, boots, helmet or anywhere bad smells linger.
- Air Note for small rooms - bathroom/closets, mobile homes, especially when poor drainage adds to the problem. Air Note again provides the solution.
